

Privacy Policy

Webcult.in will notify you when it is collecting personally identifiable information about you, as well as the use or uses Webcult.in intends to make with such information. For example, we may need to collect information to respond to your requests for information, in connection with content entry forms and/or promotions, or to allow you to send or post messages.

Use of Cookies

When you view our web site, we may store some information on your computer. This information will be in the form of a 'Cookie' or similar file and will help us in many ways. For example, Cookies allow us to tailor a web site to better match your interests and preferences. With most Internet Browsers, you can erase Cookies from your computer hard drive, block all Cookies, or receive a warning before a Cookie is stored. Please refer to your Browser instructions or help screen to learn more about these functions.

Clients are demanding more functionality and better results from their websites and we create unforgettable brand experiences. Our passion is to offer design and build solutions that strike the perfect balance between users, business, and technology.

Personally Identifiable Information

Personally identifiable information about our visitors and clients is collected only when it is knowingly and voluntarily submitted by those visitors or clients. WebCult uses such information only for the purpose for which it was submitted, unless we disclose other uses at the time of collection. WebCult does not sell personal information to third parties. WebCult may share personally identifiable information with other parts of our firm, but this will never be used on an individual basis outside of the firm. WebCult maintains appropriate safeguards to ensure the security, integrity, and privacy of personally identifiable information in its possession. WebCult may use such personally identifiable information in the aggregate (non-identifiable) form to make our web site better and more responsive to the needs of our visitors. This statistical compilation of non-identifiable information may also be used by or provided to others for marketing, advertising, or research purposes.

Comments and Submissions

Any visitor to WebCult's web site providing information, questions, comments, suggestions, ideas or any material through the feedback mechanisms located in the web site, WebCult shall have no obligation of any kind with respect to such information and shall be free to reproduce, use, disclose and distribute the information to others without limitation. The information expressed in any Message Boards, or other forums conducted on WebCult's web sites ("Forums") are not necessarily those of Webcult.in or its related entities or content providers and Webcult.in makes no representations or warranties regarding that information or those opinions.
